The consolidated financial statements of the Group are prepared under International Financial Reporting Standards (IFRS). The parent company financial statements have been prepared in accordance with applicable UK accounting standards and UK law.

The financial statements of the Company and the Group presented in this document have been attested in a method equivalent to Audit and Attestation provided in Article 193-2-1-1 of the “Financial Instruments and Exchange Law” (Law No.25 of 1948) by Ernst & Young LLP, a foreign audit firm (“Foreign Audit Firms” as defined in Article 1-3-7 of the “Certified Public Accountants Law” (Law No.103 of 1948)) and independent registered auditors in the United Kingdom, whose audit reports thereon and related Letters of Consent are also included in this section.

The consolidated financial statements are prepared based on the consolidated financial statements for the three consecutive years ending 31 December 2015, 2014 and 2013 publicly disclosed. The parent company financial statements are prepared based on the three consecutive years ending 31 December 2015, 2014 and 2013. Those financial statements were delivered to shareholders and have been submitted to the Registrar of Companies under UK Law.

The significant differences between International Financial Reporting Standards (IFRS) and Japanese GAAP, which is not included in the original financial statements of the Company and the Group, are described below, in accordance with Article 132 and the second paragraph of Article 133 of the Regulations.
