(5) Reason and background for the decision or process regarding the change of the Auditor

PwC was the auditor of the Bank and its subsidiary and associated undertakings (the "**Group**") from 1995, and in accordance with legal and regulatory requirements, resigned as auditor following completion of the audit for the year ended 31 December 2020.

A number of firms were invited by the Audit Committee (the "**Committee**") to tender for the external audit mandate. The Bank's former auditor, PwC, did not participate. The process, overseen in the first instance by a Selection Committee comprised of members of the Committee, involved representatives meeting with senior management from across the Group. After careful consideration by the Committee, a recommendation was made to the Board for the appointment of Deloitte LLP, which the Board accepted. At the 2021 Annual General Meeting, Deloitte LLP was approved by the shareholders and therefore was appointed as external auditor in place of PwC, with effect from the year ending December 2021.
